Carried

5.2 **PDS-C 50-2021**

Climate Change Motion

Moved by Regional Chair Bradley
Seconded by Councillor Darte

WHEREAS Regional Council recognizes that climate change is a real and significant threat to both Niagara's natural environment and economy;

WHEREAS Niagara Region has already been impacted by climate change through shoreline and escarpment destruction, millions of dollars of infrastructure damages caused by extreme storm events and increase freeze-thaw cycles destroying our roads and subsurface infrastructure;

WHEREAS Niagara Region's agriculture sector struggles with irrigation challenges that are linked to drought-like conditions caused by climate change;

WHEREAS Niagara Region recognizes all the existing, albeit fragmented, climate change work that has occurred across all Regional departments;

WHEREAS Niagara Region recognizes that all levels of government, including municipalities, have a crucial role to play in the mitigation and adaptation of climate change;

WHEREAS many municipalities across Ontario have formal strategies to manage climate change, investing resources to help combat the effects of extreme weather in their communities;

WHEREAS Niagara Region recognizes that addressing climate action and transitioning to lower-carbon options represents an important opportunity for economic stimulation and job growth;

WHEREAS a 2020 study conducted by the Federation of Canadian Municipalities (FCM) and the Insurance Bureau of Canada (IBC) found that climate adaptation costs Canadian municipalities an estimated \$5.3 billion annually, including significant increases in insurance premiums related to the impacts of extreme weather;

WHEREAS the same FCM report found that investments in resilient infrastructure have a return on investment of \$6 in future averted losses for every \$1 spent proactively;

WHEREAS a report from the Intergovernmental Panel on Climate Change has indicated a need for a massive reduction in carbon emissions by 45%, reaching net zero carbon emissions by 2050, in order to have a reasonable chance of keeping global warming to 1.5C and maintaining a climate compatible with human civilization; and

WHEREAS a recent United Nations (UN) report on climate change found that while human behaviour has unequivocally warmed the planet and climate changes are happening more rapidly, there is still a window in which human can alter their path.

NOW THEREFORE BE IT RESOLVED:

1. That Regional Council **DIRECT** staff to conduct a fulsome review of all current and former Regional initiatives, including strategic plans, related to the management, mitigation and adaptation of climate change in Niagara;

2. That Regional Council **DIRECT** staff to research municipal best practices across Ontario related to community and corporate mitigation and adaptation of climate change;
3. That Regional Council **DIRECT** staff to provide a report outlining their findings and develop a program proposal, including the immediate 2022 budgetary impacts, to address corporate and community climate mitigation and adaptation to a future Planning & Economic Development Committee meeting; and
4. That Niagara Region **DIRECT** staff to organize and host a climate summit for the purpose of evaluating best practices, coordinating climate action and ensuring all of Niagara is committed to climate change adaptation and mitigation, by the end of Q2 2022.

The following friendly **amendment** was accepted by the Committee Chair and the mover and seconder of the motion, so clause 1 reads as follows:

1. That Regional Council **DIRECT** staff to conduct a fulsome review of all current and former Regional initiatives, including strategic plans, related to the management, mitigation and adaptation of climate change in Niagara **and Regional Council DECLARE a climate emergency**;

The following friendly **amendment** was accepted by the Committee Chair and the mover and seconder of the motion, so clause 4 reads as follows:

4. That Niagara Region **DIRECT** staff to organize and host a climate summit for the purpose of evaluating best practices, coordinating climate action and ensuring all of Niagara is committed to climate change adaptation and mitigation, by the end of Q2 2022 **and that the Provincial and Federal governments be informed and influenced by these best practices**.

The Committee Chair called the vote on the motion as amended, as follows:

NOW THEREFORE BE IT RESOLVED:

1. That Regional Council **DIRECT** staff to conduct a fulsome review of all current and former Regional initiatives, including strategic plans, related to the management, mitigation and adaptation of climate change in Niagara and Regional Council **DECLARE** a climate emergency;
2. That Regional Council **DIRECT** staff to research municipal best practices across Ontario related to community and corporate mitigation and adaptation of climate change;

3. That Regional Council **DIRECT** staff to provide a report outlining their findings and develop a program proposal, including the immediate 2022 budgetary impacts, to address corporate and community climate mitigation and adaptation to a future Planning & Economic Development Committee meeting; and
4. That Niagara Region **DIRECT** staff to organize and host a climate summit for the purpose of evaluating best practices, coordinating climate action and ensuring all of Niagara is committed to climate change adaptation and mitigation, by the end of Q2 2022 and that the Provincial and Federal governments be informed and influenced by these best practices.

Carried

7. **OTHER BUSINESS**

7.1 Industrial Space Economic Development Opportunities

Moved by Councillor Darte
Seconded by Councillor Foster

1. That staff **BE DIRECTED** to provide a report to the October 13, 2021,
Planning and Economic Development Committee that includes:
 - a) information on the number of inquiries received for industrial space
from both companies that are internal and external to Niagara over the
past 2 years;
 - b) the number of inquiries that resulted in a successful placement in
Niagara as a result of those inquiries;
 - c) information on what mapping is available to inform industrial space
inquiries, identification of who is responsible for ownership/maintaining
that information, and included in the mapping, show what land is
serviced and non serviced;

- d) clarification of the inquiry process and suggestions to streamline, reduce timelines and expedite any necessary communication of information or attainment of approvals in helping new businesses locate in Niagara or existing business grow in place; and
- e) report to committee as to what follow up was done by each inquiry not successful including what the details were.

The following friendly **amendment** was accepted by the Committee Chair and the mover and seconder of the motion so clause 1 reads:

That staff **BE DIRECTED** to provide a report to the ~~October 13, 2021~~, **as soon as possible to** the Planning and Economic Development Committee that includes...

Moved by Councillor Rigby
Seconded by Councillor Redekop

That the motion respecting Industrial Space Economic Development Opportunities **BE REFERRED** to staff for provide additional information including a timeline for report completion.
