
MEMORANDUM

PHD-C 4-2020

Subject: Further Details on Order to Wear Masks in Wellington-Dufferin-Guelph
Date: July 14, 2020
To: Public Health & Social Services Committee
From: M. Mustafa Hirji, Medical Officer of Health & Commissioner (Acting)

At the June 16, 2020 meeting of Public Health & Social Services Committee, Committee requested Public Health to provide more information on the requirement to wear face coverings in Guelph.

What occurred in Wellington-Dufferin-Guelph was a joint effort by their local public health agency and their municipalities. The medical officer of health issued a public health order on all businesses within the region, and in concert, every municipality issued an emergency order as well.

The substance of these orders was that all owners/operators of commercial establishments prohibit persons from entering or remaining in their premises unless they are wearing a face covering. Face coverings must be worn at all times in these establishments, except as reasonably required to receive the services provided by the establishment (i.e. a mask can be removed while receiving outdoor dine-in services). Exceptions are made for persons for whom face coverings are not recommended. The orders also mandate that alcohol-based hand rub be made available for persons entering or exiting these establishments.

In terms of enforcement of the public health order, consistent with section 23 of the *Provincial Offenses Act*, as well as sections 100–102 of the *Health Protection and Promotion Act*, enforcement of the order on any business that was not compliant would require a two stage court proceeding through the Provincial Offenses Court or a court proceeding through the Ontario Superior Court of Justice. As of June 28, 2020, Wellington-Dufferin-Guelph Public Health has not pursued any court proceedings to enforce the order.

As of July 2, 2020, the following are various jurisdictions in Ontario and requirements that they have made around wearing face coverings:
