
MEMORANDUM

CL-C 60-2020

Subject: Niagara Peninsula Conservation Authority Letter of Support Request
Date: July 23, 2020
To: Regional Council
From: Helen Chamberlain, Director, Financial Management & Planning/Deputy Treasurer

The Niagara Peninsula Conservation Authority (NPCA) has requested Niagara Region's support of a funding application to the Federation of Canadian Municipalities for a grant funding opportunity for 80% of eligible costs of an approved 2020 capital project for asset management software.

This project is a shared initiative, with contributions from each of the watershed's three municipal partners. The City of Hamilton and Haldimand have also provided letters of support and the Region's letter is attached as Appendix 1.

Should Council support the funding application being made by the NPCA, a suggested motion would be:

That Niagara Regional Council **SUPPORT** the Niagara Peninsula Conservation Authority funding application for a grant funding opportunity through the Federation of Canadian Municipalities Municipal Asset Management Program of an approved 2020 capital project for asset management software.

Respectfully submitted and signed by
