Dear Councillor,

I am very concerned about the potential results of the Thursday evening vote on mandatory masks for the Niagara Peninsula. In light of the recent increase in numbers of active cases of Covid 19 in the Niagara area (doubled to 44 over the past 10 days), I believe that this issue of mandatory masking is imperative!

It is becoming increasingly more evident that expecting people to use common sense and good judgement when in the public, is not an effective means of preventing the spread of the Covid 19 virus. We must mandate the requirement of masks when individuals are out in public in order to keep all of us safe.

Please cast your vote to make the wearing of masks while in public mandatory and thus keep us all safer.

Sincerely, a concerned citizen

Debbie Grimes
