<sup>\*</sup>NRPS figures reflect amounts reported in May 7, 2020 report to the NRPS Board Report 91.2020 in addition to signficant new lost revenue assumptions identified in June and labour related costs of members participating in the Regional EOC. NRPS will be updating their total projections to their board in July and we will align our reporting at that time.

<sup>\*\*</sup> Confirmed funding matched to expense in Childrens Services is a reallocation of existing funding and not incremental funding. The MOE has advised service providers it will allow them to be flexible in how they apply their existing grants against their costs to minimize or eliminate any deficits. As a results, the division is confident it will be able to use its current grant to support COVID related items.

<sup>\*\*\*</sup> The incremental costs in seniors services is 43% labour related, 31% pandemic pay related and 26% supplies/PPE/screening related. While there has been incremental staffing needs in the long-term care homes, the hours per bed per day is 3.59 which remains under the recommended level of 4.
