**Re: Tender Process – Liquid Biosolids and Residuals Management Program**

Please be advised that City Council at its meeting of October 27, 2020 passed the following motion:

**“ORDERED on the motion of Councillor Mike Strange, Seconded by Councillor Chris Dabrowski that the City ask the Region for a motion to reconsider the award of tender regarding the liquid biosolids and residuals management program and to have the appropriate Regional staff come to a future Niagara Falls City Council meeting to address questions and explain the process on how the decision was made to award the contract.”**

This motion was passed after an update to Niagara Falls City Council from Councillor’s Gale and Nicholson on various Niagara Region projects.

If you have any questions, please contact me directly.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Matson", written over a white background.

Bill Matson  
City Clerk
