

Appendix A – 2018 Individual NPI Project Evaluations

Project	Description	Funding Stream: Health – Mental Health																		
Community Mental Health for Acquired Brain Injury Agency: Brain Injury Association of Niagara (BIAN) Municipality: All Niagara	This project provided life skills development, social opportunities, and advocacy for individuals with Acquired Brain Injury to reduce marginalization and improve mental health.	Result: BIAN was able to provide more groups for members of the community who have an acquired brain injury. Funding for food provided healthy meals and the events that were held brought together many people in the community to become involved.

Project	Description	Funding Stream: Health - Dental																		
Brushed Aside Agency: Community Care St. Catharines & Thorold Municipality: All Niagara	The Brushed Aside dental care access program provided access to dental care for adults in need of treatment. Community Care St. Catharines & Thorold worked with five identified program partners across the region.	Result: Our initial target was to provide service for 191 individuals at an average of \$725.69 each. We successfully provided service to 153 individuals at an average cost of \$905.93. The cost of dental service exceeded our cost estimation.

Project	Description	Funding Stream: Housing – self-reliance and improve stability																		
ID Replacement Costs Agency: Community Care St. Catharines & Thorold Municipality: All Niagara	Funding for ID clinics across Niagara to assist individuals with acquisition of Canadian identification. This project has a certified Commissioner of Oath, a provincial fee waiver and SIN replacements that are offered monthly on site. Individuals are offered safe storage of their ID.	Result: Applications for approximately 100 ID's were completed monthly from all parts of the region. We could have done more if time permitted. So many individuals do not have ID of any form. The homeless especially are at risk for losing their ID when staying in shelters and on the streets.

Project	Description	Funding Stream: Housing - Outreach																		
Gateway Outreach Worker II Agency: Gateway Residential & Community Support Services of Niagara Inc. Municipality: All Niagara	The Outreach Worker provided mobile services and supports to individuals at urgent risk of becoming homeless and those who are chronically or persistently homeless.	Result: Our target outcomes were met early on in the project. The outreach worker was able to see an average of 11 people a month. Many of the people we served were connected to permanent housing in Niagara. Allowing people to stay out of the shelters and hospital systems. The worker established rapports partnering agencies creating a go to person when people are in crisis or when crisis strikes.

Project	Description	Funding Stream: Employment – Social Enterprise																		
Employ-Ability Skills for Adults with Disabilities Agency: Heartland Forest Nature Experience Municipality: All Niagara	Funding was for a goal oriented work experience program for adults with intellectual and developmental disabilities. This program provided employability skills along with the exploration of social procurement strategies.	Result: Participants were given the opportunity to learn and grow in a safe environment that offered more than just work experience and training but an opportunity to socialize and have a sense of community; nine individuals secured permanent employment; 10 individuals received various non-traditional forms of payment; 11 individuals found permanent volunteer positions within their community.

Project	Description	Funding Stream: Employment – Social Enterprise
Eco Chic – 3Rs Boutique Agency: Links for Greener Learning Municipality: All Niagara	The Eco-Chic Project, 3R's Boutique created new products from up-cycled and re-purposed materials. These products are made by skilled newcomers and low-income women and provided resources, marketing and a platform to sell their products.	Result: Provided the opportunity for women and men in gaining meaningful skills and gain income at the same time. Two stores are now selling our products. We secured another contract with a store for \$37,955 and we are waiting for another two major orders that are going to help us to create three full-time positions for newcomers in Canada.

Project	Description	Funding Stream: Neighbourhood – Community Hubs															
The FORT Connecting Youth Agency: FORT Municipality: Grimsby, Lincoln, West Lincoln	The FORT's Connecting Youth project provided the youth of Smithville and Caistor, and their families, with the only physical location where they were able to receive free professional mental health counseling, participate in social programs, and get involved in their community.	Result: Homework help program helped youth achieve greater success in school. Life skills workshops taught youth money management, cooking club, positive body image, healthy living, and the importance of social inclusion. Mental health programs allowed youth to access professional mental health counsellors.

Project	Description	Funding Stream: Housing - Prevention																		
Rental Assistance Service Agency: Grimsby Benevolent Fund Municipality: Grimsby	The Rental Assistance Service provided low-income households with assistance for monthly rent payments in the private market. The program reimbursed part of the difference between 30% of the total income and the rent. The other aspect of the program was providing one time rent assistance for those who might otherwise be evicted.	Result: Less eviction notices which allowed individuals and families to continue to reside in Grimsby. There were less requests for Utilities support as well as the supplements and one time assistance for rent allowed individuals to keep all bills paid on time. GBF spent \$257,454 of its own funds on this project in addition to NPI funding.

Project	Description	Funding Stream: Health – Sustainable Access to Healthy Food
The Good Food Box Program Agency: Link for Greener Learning Municipality: Fort Erie, Niagara Falls, St. Catharines, Welland	The Good Food Box Program promoted and supported healthy eating as a part of a healthy lifestyle for people in need in Niagara and supported local growers by purchasing the food locally.	Result: Each month, we have consistently seen more clients and host sites sign on to the project. Our goal of delivering 75 units (boxes) per month has been passed and we have more locations signing on as host sites, which means a wider reach throughout Niagara region.

Project	Description	Funding Stream: Health – Sustainable Access to Healthy Food	
Contract Requirements	Number Served	Testimonial: “I live in the shelter where the boxes get delivered. I love receiving my box because I can have more vegetables in my diet. This program is great because it makes fresh food accessible to everyone, no matter the difficulties we may have.”

Project	Description	Funding Stream: Employment – Social Enterprise																		
Queenston Bikes Collaborative Agency: Start Me Up Niagara Municipality: St. Catharines, Thorold	Queenston Bike Collaborative is a bicycle refurbishment and retail operation, designed to train and employ people living with mental illness and other disabilities, as well as other persons who have been excluded from the traditional workforce.	Result: We exceeded our numbers through a \$30,000 donation that allowed us to expand our store. We provided affordable, safe and reliable bicycles for 183 children and adults - shop facilities for individuals to repair and maintain their own bikes, and learning opportunities for volunteers to gain bicycle repair experience. Volunteers also worked on refurbishing donated bicycles, which are then sold to help support our free services.

Project	Description	Funding Stream: Neighbourhood – Community Hubs
Community Hub Coordinator Agency: The Hope Centre Municipality: Welland	A Community Hub Coordinator was engaged with identified services / service providers to encourage them to become part of the Hope Centre Hub and provide their services to our clients under one roof. The Coordinator also scheduled hub rentals, catering, and promoted / marketed the programming and services on site.	Result: This project was able to bridge the gap between health care and poverty. The Hub Coordinator added a weekly REACH medical clinic (GP doctor and RPN) at the Centre, coupled with weekly foot care and dental screening sessions. Legal services and Financial Planning support were also added. As well, rental revenue was increased.

Project	Description	Funding Stream: Neighbourhood – Community Hubs	
Contract Requirements	Number Served	Testimonial: “The programs have helped significantly. I often struggle to make ends meet and the Hope Centre has made things easier. I value the counselling sessions immensely.”

Project	Description	Funding Stream: Neighbourhood – Community Hubs	
RAFT Niagara Regional Housing Summer Camp Agency: The RAFT Municipality: Niagara Falls, St. Catharines	A daily summer camp program was provided in NRH priority neighbourhoods. The programs offered active games, art, educational activities, a community garden, field trips, special events and cultural learning opportunities.	Result: The Summer Camp program helped youth in priority neighbourhoods remain involved in educational and physical activities during the summer months. Youth gained an increased sense of community, received mentorship and improved their health and wellbeing.	
Contract Requirements	Number Served	Testimonial: “I was able to meet new friends in my community. I was really nervous moving somewhere new that I wouldn't have friends, but I met other kids right away and I got to go on trips and play games.”

Project	Description	Funding Stream: Neighbourhood – Community Hubs	
Queenston Connections Agency: Westview Christian Fellowship	The Queenston Connections program included an update of a guidebook for people who are homeless with information	Result: We met many new women who came to the Centre asking for our survival bags because they were on the streets	

Project	Description	Funding Stream: Neighbourhood – Community Hubs																		
Municipality: St. Catharines	on where to go to eat, sleep, and get help, medical, legal, etc. Individuals who are homeless will be provided with the book and a survival bag that includes a water bottle, blanket, first aids kits, socks, soap, facecloth, snacks etc.	struggling. We purchased mats and offered daytime sleeping in our church to help with the issue of lack of sleep. This project will continue into future winters through help from community groups etc. Thank you NPI for starting us off.

Project	Description	Funding Stream: Housing - Prevention															
Housing Worker Agency: Community Care St. Catharines and Thorold Municipality: Niagara-on-the-Lake, Thorold, St. Catharines	The Housing Worker supported low income, vulnerable individuals to find secure, safe, affordable housing within St. Catharines, Thorold, and NOTL. This was done by working with landlords and community partners and included advocacy and appropriate referrals.	Result: The primary outcomes were clients who successfully obtained priority housing. Many of the people served were part of the "hard to house, hard to serve" population but didn't meet the criteria for Housing First or Home For Good. Rent smart numbers were lower than anticipated as we were limited on time and some of the population did not have the cognitive capabilities to follow through with modules.
