Presentation Details

Niagara Centre MPP Jeff Burch was hoping to present a delegation at next weeks Regional Council Meeting on January 17th, 2018. We understand that this item is likely not on the agenda, however, given that the legislature may be recalled as of January 21, we want to ensure Niagara has the opportunity to review this important change to municipal planning prior to it passing in the legislature. MPP Jeff Burch would like to discuss the municipal implications of Bill 66 with Niagara Regional Council. Bill 66 — particularly Schedule 10 —has been discussed at city and regional councils across Ontario. MPP Jeff Burch is looking to start the dialogue in Niagara regarding the municipal implications. Given MPP Burch's critic portfolio as Municipal Affairs Critic, he is particularly interested in presenting his provincial perspective with the hope of gaining additional input from the region and its municipalities. I have included a few items. Attached is the full text of Bill 66. Schedule 10, the section that pertains to municipalities, begins on page 25 of the document. If you're interested in reviewing some of the discussions that are occurring at the local level on Bill 66 I would be happy to provide them. The below municipalities and regions have stated their opinion on Bill 66 or are beginning the dialogue: . Vaughn . Region of Waterloo . Guelph . Hamilton & Burlington . GTA . Barrie . Richmond Hill . Peterborough Discussions regarding Bill 66 are still preliminary, we're looking to open the dialogue with the Region of Niagara. Should you have any questions or require any additional information/materials, I would be happy to oblige! Thank you, Caitlin Hipkiss Executive Assistant MPP Jeff Burch
