5. Indicate how the exemption would, if granted, be for the maintenance or development of tourism and briefly identify other material submitted with this application that supports this conclusion:

As Canada's leading home improvement retailer, our Home Depot Niagara Falls store offers a wide assortment of quality products and services to support the maintenance, repair, and operational needs of new and existing businesses within the Niagara region. Our support helps to ensure Niagara businesses can continue to serve the tourism industry, either directly as tourism destinations, or as local PROs (professionals such as plumbers, electricians, contractors) who support these tourist venues. Our knowledgeable store associates, including dedicated PRO sales associates, work closely with local businesses and PROs to ensure their maintenance and development needs are met. Our Home Services department further helps to support the growth and improvement of tourism destinations in Niagara, through renovations, remodels and updating. The proximity of our Niagara Falls store ensures that any tourism location (and local PRO) can obtain the products and services they need to continue to operate day in and day out. Lastly, our store can help residents and tourist rentals with their maintenance and repair needs whenever they need to access them.

6. What justification is there for the opening of the retail business establishment(s) on holidays in light of the principle, stated in the Retail Business Holidays Act, that holidays should be maintained as common pause days?

Niagara Falls is a year-round tourist destination, particularly during statutory holidays. Our Home Depot Niagara Falls store is well-situated to meet the ongoing needs of both tourists and tourist locations in the region. We note that repair, maintenance, renovation and remodel requirements of the tourism industry are continuous (and sometimes unpredictable) for businesses and residents. We believe support should be available for the tourism industry during its regular hours of operation, which includes those days currently defined as "holidays" under the Retail Business Holidays Act. By enabling our

Bill 6715, *as amended by By-law No. 19-2010*.

Niagara store to remain open on all holidays (excluding Christmas), The Home Depot can continue to support the economic, employment and tourist destination of the Niagara region.
