
MEMORANDUM

COM-C 26-2021

Subject: Social Assistance Recovery and Renewal Provincial newsletter
Date: September 14, 2021
To: Public Health & Social Services Committee
From: Adrienne Jugley, Commissioner, Community Services

Since March 2021, the province has been planning and launching an intensive process to develop the Social Assistance Recovery and Renewal Vision ([COM 7-2021](#)). The new vision builds on previous system redesign efforts to modernize, streamline, and reduce administrative burden as well as advance human services integration to improve client outcomes ([COM 12-2021](#)).

As there is significant change occurring in the social assistance system, the province will now be issuing a regular newsletter for community partner information. Staff are sharing the first newsletter (Appendix 1 to Memorandum COM-C 26-2021) with the Public Health and Social Services Committee and will provide subsequent newsletters through Council's weekly correspondence distribution.

Respectfully submitted and signed by

Adrienne Jugley, MSW, RSW, CHE
Commissioner
