To the Regional Chair and Members of Council,

As a resident and a citizen of Niagara, I wish to express my support for the transit amalgamation plan being put forward on November 25th.

Niagara needs a better transit system. Better public transit means a better quality of life for us all. It will reduce poverty, reduce our carbon footprint, and help grow our economy. It will encourage young people to stay here and will help working families thrive.

This amalgamation is the first step on the path to the public transit system Niagara needs and deserves. I urge you to support it with your vote on the 25th.

Kind regards,

Eduardo R. Lafforgue
