November 27, 2021 Dear Chair Bradley and Niagara Regional Councillors: I write to you today as a concerned citizen. My concerns are about the planet my grandchildren, and your grandchildren, are inheriting and the consequences of poor decisions we make today. On December 1, 2021, I

ask you to please choose option 3C when voting for the Natural Environment System for the Region's new Official Plan. As we watch in horror the events that are unfolding in B.C. it is inconceivable to think that you would not vote for the option that offers the very best environmental protection. If you choose option 3C, I thank you. If you do not, I ask you to please respond to my request with your reason(s). Respectfully, Debra Jackson-Jones [REDACTED]
