## **Analysis**

Staff have been requested to consider reducing the posted speed limit on Regional Road 12 (Mountain Road) between Kemp Road and 200 metres north of Elm Tree Road.

The development of new single dwelling homes on rural lots on both sides of Regional Road 12 (Mountain Road) between Elm Tree Road and Kemp Road has changed the land use to a buildup area.

Staff have undertaken the necessary studies by incorporating the best practices to specific design and operational effectiveness due to changes in roadway attributes. Based on the findings, staff are recommending that the posted speed limit on Regional Road 12 (Mountain Road) between Kemp Road and 200 metres north of Elm Tree Road be adjusted to 60 km/h.

Staff at the Town of Grimsby have been informed of the proposed changes and are in support.

## **Alternatives Reviewed**
