Associated Report
PDS 11-2019
What is a District Plan?

• Proactive planning strategy to drive growth and economic prosperity.

• Sets Regional vision and framework for planning, design and development of a complete community

• Serves as a guide for multiple stakeholders to coordinate development and investment efforts.

• Direction for additional study/planning updates to benefit the area.
Timeline: Brock District Plan

- **2015**: Brock District Plan initiated
- **2016**: Brock District Plan finalized and endorsed by Regional Council
- **2017**: Endorsed by Thorold, St. Catharines, Brock University and received by NEC
- **2018**: ROPA 14 initiated. Statutory Public Meeting Sept. 5th
- **2019**: ROPA 14 presented for adoption into the Regional Official Plan
Brock District Plan Vision:

To leverage the unique economic driver of Brock University and to transition the area from a lower density employment area to a higher density mixed use centre that is comprehensively and sustainably planned for social and economic success, and environmental sustainability.
Frameworks:

1. Positioning the Brock District globally within a UNESCO Biosphere Reserve
2. Setting the Brock District in the Niagara Escarpment
3. Gateways to the Brock District
4. Sustainable Urban Brock District
5. Balanced Circulation in the Brock District
6. A Green Brock District
7. The Brock District is a Complete Community
## ROPA 14

A policy framework for the Brock District Plan area that guides future growth to support the creation of a complete, sustainable community.

### The Policy Framework
