Hello Mr. Mayor Diodati, Mr. Wayne Gates, Mr. Bradley, Ms. Norio, Council Members of Niagara Falls and Regional Council.

My wife and I are blessed with two young children. We were born and raised in the North end of Niagara Falls.

Eleven years ago we decided to purchase a home in Fernwood estates on Fiddlehead lane to start a family. We are grateful and love our neighbourhood!

We are extremely concerned and disappointed with the proposed Walkers Quarry, literally in our back yard. We were not told when purchasing our home that there was potential for a Quarry so close to residential properties.

As you know this will affect all of us greatly and not only our neighbourhood but several other neighbourhoods within the vicinity.

The impact of this Quarry will be devastating to all of our families in so many ways.

Please support us and consider not to rezone this area of land.

This proposed Quarry has to be stopped to protect our families.

Please circulate our emails to all council members.

We appreciate your support and consideration,

Vince and Jenna Salvatori
