Draft Regional Official Plan  
Amendment (Regional Road  
Allowance Widths)

## THE REGIONAL MUNICIPALITY OF NIAGARA

### BY-LAW NO. 2024-\_\_\_\_\_

#### **A BY-LAW TO PROVIDE FOR THE ADOPTION OF AN AMENDMENT TO THE OFFICIAL PLAN FOR THE REGIONAL MUNICIPALITY OF NIAGARA TO UPDATE REGIONAL ROAD ALLOWANCE WIDTHS**

WHEREAS subsection 17 of the *Planning Act, 1990* states when the requirements of subsections (15) to (21), as appropriate, have been met and Council is satisfied that the plan as prepared is suitable for adoption,

WHEREAS it is deemed appropriate to further amend the Official Plan as adopted by Regional Council for the Regional Municipality of Niagara,

NOW THEREFORE the Council of The Regional Municipality of Niagara enacts as follows:

1. That the text attached hereto as Part “B” is hereby approved as Amendment No. \_\_\_\_ to the Official Plan for the Regional Municipality of Niagara.
2. That the Regional Clerk is hereby authorized and directed to give notice of Council’s adoption in accordance with Section 17(23) of the *Planning Act, 1990*.
3. That this By-law shall come into force and take effect on the day after the last day of appeal, provided no appeals have been received.

THE REGIONAL MUNICIPALITY OF NIAGARA

James Bradley, Regional Chair

---

Ann-Marie Norio, Regional Clerk

Passed:

**AMENDMENT NO. \_\_\_\_**  
**TO THE OFFICIAL PLAN**  
**FOR THE REGIONAL MUNICIPALITY OF NIAGARA**

**PART “A” - THE PREAMBLE**

The preamble provides an explanation of the Amendment including the purpose, location, background, and basis of the revisions, but does not form part of this Amendment. The Preamble includes:

- Title and Components
- Purpose of the Amendment
- Location of the Amendment
- Background
- Basis for the Amendment

**PART “B” – THE AMENDMENT**

The Amendment describes the additions and/or modifications to the Official Plan for the Regional Municipality of Niagara, which constitute Regional Official Plan Amendment No. \_\_\_\_.

- Schedule Changes
- Text Changes

**PART “C” – THE APPENDICES**

The Appendices provide information, public participation and agency comments relevant to the Amendment, but do not form part of this Amendment.

## **PART “A” - THE PREAMBLE**

### **TITLE AND ITS COMPONENTS:**

This document, when approved in accordance with Section 17 of the *Planning Act*, shall be known as Amendment \_\_\_\_ to the Official Plan for the Regional Municipality of Niagara, also known as the Niagara Official Plan.

Part “A” – The Preamble, contains background information and does not constitute part of this Amendment. Part “B” – The Amendment, which consists of text and schedule changes, constitutes Amendment \_\_\_\_ to the Niagara Official Plan. Part “C” – The Appendices, does not constitute part of the Amendment. These Appendices contain information related to public involvement and agency comments associated with the Amendment and do not form part of this Plan.

### **PURPOSE OF THE AMENDMENT**

The purpose of this Amendment is to update the right-of-way widths identified in Schedule M (Road Allowance Widths) of the Niagara Official Plan to better accommodate future growth forecasts based on the Region’s transportation model, the roadway capacity outlined in the Region’s Transportation Master Plan, as well as the planned projects listed in the Region’s 10-year capital forecast.

Further, a new policy is proposed to be added to Chapter 5 (Connected Region) of the Niagara Official Plan, which would allow updates to Schedule M to be made without an amendment if alternate road allowance widths are approved through a completed Municipal Class Environmental Assessment.

### **LOCATION OF THE AMENDMENT**

This Amendment applies to all Regional Roads within the Niagara Planning Area.

### **BACKGROUND**

On November 4, 2022, the Ministry of Municipal Affairs and Housing approved the Niagara Official Plan pursuant to Sections 17 and 26 of the *Planning Act*. As approved, the Niagara Official Plan outlines a comprehensive land use policy framework to guide growth and development within Niagara to the year 2051, including policies and schedules related to housing; planning for employment and infrastructure; and environmental and agricultural protection.

Schedule M (Road Allowance Widths) of the Niagara Official Plan outlines the right-of-way widths for all roads under the jurisdiction of the Niagara Region. In

accordance with Policies 5.1.5.1 and 5.1.5.2 of the Niagara Official Plan, the Region may, where appropriate, acquire land as a condition of the approval of a development application in order to achieve the designated road allowances identified in Schedule M.

Concurrent to the review and approval of the Niagara Official Plan, the Region's Public Works Department initiated the preparation of a Complete Streets Design Manual (CSDM) intended to provide a set of consistent guidelines and tools to inform the design, implementation, and maintenance of complete streets across Niagara.

In the course of reviewing the CSDM, Regional staff undertook additional analysis of Schedule M based on the transportation model and roadway capacity outlined in the Region's Transportation Master Plan, as well as the planned projects listed in the Region's 10-year capital forecast. The results of this analysis identified opportunities to better align designated road allowance widths with the anticipated needs of the population and employment growth forecasted in the Niagara Official Plan.

The proposed amendments to Schedule M include both decreases to right-of-way widths where no or limited road widenings are needed within the foreseeable future and increases to the road allowance where known projects within the 10-year capital forecast are anticipated to require additional right-of-way. New road allowance widths are also identified for previously missing segments of the table currently marked as "TBD" in Schedule M.

Both the Niagara Official Plan and the Region's Transportation Master Plan emphasize the need to integrate and co-ordinate transportation planning, land use planning, and urban design in order to reflect the unique needs of the Region's urban and rural communities. Accordingly, it is imperative that the Schedule M and associated policies are revised to ensure that infrastructure planning aligns with the growth management direction of the Niagara Official Plan.

## **BASIS FOR THE AMENDMENT**

1. This Amendment will help to implement and promote best practices for the movement of goods and people throughout the Region's transportation system.
2. The Amendment will provide consistency with the goals and recommendations of the Region's Transportation Master Plan, the 10-Year

capital forecast and help support the achievement of complete streets as outlined in Chapter 5 (Connected Region) of the Niagara Official Plan.

3. The Amendment will replace the existing table in Schedule M (Road Allowance Widths) in its entirety and introduce a new policy to Chapter 5 (Connected Region) of the Niagara Official Plan to allow for better integration between land use planning and infrastructure planning.
4. The Amendment is consistent with, conforms to, and does not conflict with Provincial land use policy, where applicable, including the Provincial Policy Statement, A Place to Grow: Growth Plan for the Greater Golden Horseshoe, the Greenbelt Plan, and the Niagara Escarpment Plan. Specifically, the updates to Schedule M will allow the Region to better plan for a safe and efficient transportation system that facilitates the movement of people and goods, and to address projected needs.

## **PART “B” - THE AMENDMENT**

**AMENDMENT NO. \_\_\_\_**

**TO THE OFFICIAL PLAN**

**FOR THE REGIONAL MUNICIPALITY OF NIAGARA**

### **Schedule Changes**

1. The Road Allowance Widths table in “Schedule M (Road Allowance Widths)” is repealed and replaced with a new Road Allowance Widths table.

### **Text Changes**

The Official Plan for the Regional Municipality of Niagara is amended as follows:

#### **Part I – New Policies**

1. The following policy is added to Chapter 5 (Connected Region), Section 5.1.5, and numbered as Policy 5.1.5.3:

“Further to Policy 5.1.5.2, the Region may, without an amendment to this Plan, update the designated road allowance widths in Schedule M where an alternate width has been approved through a completed Municipal Class Environmental Assessment.”

#### **Part II – Modifications to Existing Policies**

1. **Policy 5.1.5.3** is renumbered as **Policy 5.1.5.4**.
2. **Policy 5.1.5.4** to **Policy 5.1.5.10** is renumbered accordingly.

**Schedule M – Road Allowance Widths**
