Presentation Details

As per my "Letter for Correspondence" (Ref. NRC Clerk), and directly related to "Support for Israelis and Palestinians Living in Niagara, we believe that the NRC is the right body to bring our concerns and proposals re. a Permanent Peace in Palestine-Israel to the attention of the Government of Canada. These will, of course, be articulated at the Council meeting. We believe that this is an opportunity for the NRC to be a BEACON for Peace, regionally, nationally and Internationally. Thank you.

LETTER FOR CORRESPONDENCE: Attention of the Clerk, NRC.

TO: THE NIAGARA REGIONAL COUNCIL (NRC)

Dear Regional Council Chair and Councillors,

Re. The above Subject:

We believe that, as a body representing the residents of Niagara, the NRC can play a vital role in expressing our very serious concerns and proposals to the Government of Canada, re. the historic and current CRISIS in Palestine-Israel.

As has been frequently suggested in the past, we believe that the People of Niagara, represented by our Regional Council, can be a true **Beacon for Systemic Justice** based on integrity, regionally, nationally and internationally.

Regarding the above, we hope to be permitted to address the Council at its next meeting, on 25h. January 2024.

Please **advise** asap re. the protocol. If needed, please call [REDACTED];
cell: [REDACTED]

Thanking you for your urgent attention to this request and anticipating a response at the earliest,

Desmond Sequeira (Coordinator)
