Presentation Details

My request is for Regional council to acknowledge the plight and suffering of Palestinians as more than 25,000 people are dead or missing. I call on Regional council to do the following: - lighting up Niagara for Palestine - Calling on the government to increase the cap on refugees, currently at just 1000 individuals, in Niagara alone there are at least 20 individuals who need to escape Gaza - Endorse the UN's call for a ceasefire - Endorse South Africa's case in the ICJ
