standing committee

Public Works Committee

Presentation Topic

District Energy at proposed Wastewater Treatment Plant

Presentation includes slides

Yes

Previously presented topic

No

Presentation Details

I'm asking that Public Works direct staff to extend an RFP for a feasibility study for a District Energy Plant at the new Wastewater Treatment Plant in Niagara Falls. Anne-Marie, I believe my submission is in before the deadline you informed me of in our last email exchange - 2 days before the meeting. I don't think I see the item I'm speaking to is on the agenda. The website still says, "If your written delegation request is submitted after the applicable deadlines, it may be subject to committee passing a motion that recognizes you as a delegate." I leave it in your good hands. Have a great day, Anne-Marie :)
