1. That Report CSD 25-2024 **BE RECEIVED** for information.

Key Facts

- The purpose of this report is to identify all Corporate non-competitive procurement activities between January 1, 2024 and March 31, 2024, by all Departments, which exceeded \$100,000.
- Council approval of PW 47-2021 (August 10, 2021) directed Staff to provide information reports to the Corporate Services Committee each quarter identifying all corporate non-competitive procurement activities that exceed \$100,000 in the intervening period.
- Niagara Region's Procurement By-law 02-2016 as amended February 28, 2019, identifies non-competitive appropriate criteria, procedures and Schedule "B" defines the approval authorities required for any non-competitive procurement activity.

Financial Considerations

The intent of the Procurement By-law is to ensure the appropriate balance of effective approval control and efficient utilization of resources to ensure "best value for the Corporation". All Corporate non-competitive procurement activities must have approved funding in place from either Capital or Operating budgets.

Analysis

Report PW 47-2021 presented at the August 10, 2021, Public Works Committee and approved by Council on August 26, 2021, recommended that:

- Staff provide information reports to the Corporate Services Committee each quarter identifying all corporate non-competitive procurement activities that exceeded \$100,000 in the intervening period.

This report details thirty-eight (38) corporate non-competitive procurement activities with a total change value of \$14,947,938, which exceeded \$100,000 between January 1, 2024 and March 31, 2024.

Appendices 1 and 2 detail the non-competitive purchases processed in accordance with the approved criteria, procedures and approval authorities required for any non-competitive procurements meeting the appropriate criteria as outlined in Procurement By-law 02-2016 as amended February 28, 2019.

Appendix 1: Straight Single Source

Fifteen (15) new non-competitive purchases totalling \$5,841,843 in value were identified as **“Single Source”** (Section 18) meaning that no competitive procurement process was utilized to acquire Goods and/or Service from the names even though there may be more than one Supplier capable of delivery of the same.

These totals may include acquisitions which could be considered Sole Source in that there is an absence of competition for technical reasons and only one supplier is capable of delivery of the same.

Appendix 2: Change PO Single Source

Twenty-three (23) amendments (Change PO) to the original Purchase Order totalling \$9,226,595 (Single Source change value only). These amendments break down as follows:

- a) Sixteen (16) amendments (Change PO) to original **“Formal”** Purchase Orders totalling \$17,068,235 where \$7,107,546 was Single Source (as defined above).
- b) Seven (7) amendments (Change PO) to original **“Single Source”** Purchase Orders totalling \$2,119,048 were Single Source (as defined above).

Alternatives Reviewed

None, though the Committee can suggest amendments to the reporting content and format.
