Independent Auditor's Report

To the Members of Council of The Regional Municipality of Niagara and the Ontario Ministry of Health

Opinion

We have audited the accompanying 2023 Annual Reconciliation Report (the "Schedule") of the

Regional Municipality of Niagara (the "Region") – Public Health Department – General Programs (the "Program") for year ended December 31, 2023.

In our opinion, the accompanying Schedule of the Program as at December 31, 2023 is prepared, in all material respects, in accordance with the financial reporting provisions in the Public Health Funding and Accountability Agreement between Her Majesty the Queen in right of Ontario as represented by the Ministry of Health (formerly the Ministry of Health and Long-Term Care) (the "Ministry") and the Board of Health for the Niagara Region Public Health Department most recently amended effective January 1, 2023 and the "Instructions for Completion of the 2023 Year-End Settlement" dated February 6, 2024 (collectively referred to as the "Guidelines").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the

Auditor's Responsibilities for the Audit of the Schedule section of our report. We are independent of the Region in accordance with the ethical requirements that are relevant to our audit of the Schedule in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to the fact that the Schedule has been prepared in accordance with the Guidelines. The Schedule is prepared to assist the Region in complying with the financial reporting provisions of the Guidelines. As a result, the Schedule may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Schedule

Management is responsible for the preparation of the Schedule in accordance with the Guidelines, and for such internal control as management determines is necessary to enable the preparation of the Schedule that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Region's financial reporting process.

Auditor's Responsibilities for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the Schedule as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Schedule.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Schedule, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and
 obtain audit evidence that is sufficient and appropriate to provide a basis for our
 opinion. The risk of not detecting a material misstatement resulting from fraud is
 higher than for one resulting from error, as fraud may involve collusion, forgery,
 intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Region's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Regional Municipality of Niagara Public Health Department

General Programs Note to the Schedule December 31, 2023

1. Significant accounting policies

The report has been prepared for the Ontario Ministry of Health in accordance with the Public Health Accountability Agreement effective January 1, 2023 between the Ontario Ministry of Health and the Regional Municipality of Niagara and the Instructions for completing the 2022 Annual Report and Attestation (the "Guidelines"). The Guidelines require the report to be prepared in a manner consistent with the generally accepted accounting principles ("GAAP"). Management of the Regional Municipality of Niagara has interpreted GAAP to be recognition and measurement principles in accordance with Canadian Public Sector Accounting Standards, except that it does not provide for employee future benefits and does not capitalize and amortize tangible capital assets. Management has further interpreted that GAAP does not include the presentation principles and note disclosure required by GAAP for a complete set of financial statements.

Significant accounting policies are as follows:

Revenue and expenses

Revenues are recognized in the year in which they are earned. Expenses are recorded if they are eligible for the program and incurred in the period, except for employee future benefits.

Capital assets

Tangible capital assets acquired are reported as an expenses and amortization is not recorded.

Employee future benefits

Employee future benefits are provided which will require funding in future periods. These benefits included vacation pay, sick leave, benefits under the Workplace Safety and Insurance Board ("WSIB") Act, and life insurance, extended health and dental benefits for early retirees. These benefits are recorded on a cash basis.

Use of estimates

Since precise determination of many assets and liabilities is dependent upon future events, the preparation of a periodic report involves the use of estimates and approximations. These have been made using careful judgments.
