At its meeting of April 15, 2019, the Town of Grimsby Council passed the following resolution from Public Works Committee:

Resolution to accept the delegation to reduce speed limits to 50 kph on Mountain Road between Mud Street and Elm Street and also suggest double lines (no passing) and also consideration for flashing signs and consideration for a four-way stop at Kemp Road and Mountain Road.

The Committee requested that upon passing of the resolution at its Council meeting on April 15, 2019, that staff communicate the resolution to the Region of Niagara for their consideration at the next Regional Public Works Committee meeting on April 16, 2019.
