

Memorandum

WMPSC-C 16-2024

Subject: Niagara Region Response ERO 019-9196 - Enabling Beneficial Reuse of Excess Soil

Date: December 9, 2024

To: Waste Management Planning Steering Committee

From: Emil Prpic, Associate Director Waste Disposal Operations and Engineering

This memorandum serves to update the Waste Management Planning Steering Committee on a recent submission by Niagara Region in response to ERO-019-9196, titled Enabling Beneficial Reuse of Excess Soil, which proposes amendments to O. Reg. 406/19, On-Site and Excess Soil Management. The commenting period was open until November 21, 2024.

Niagara Region's submission to the Ministry of Environment, Conservation and Parks is attached as Appendix I.

Respectfully submitted and signed by

Emil Prpic
Associate Director Waste Disposal Operations and Engineering
