INDEPENDENT AUDITORS' REPORT

To the Ontario Ministry of Health and Long-Term Care:

Opinion

We have audited Sections A through F, Section I and Section O of the 2023 Long-Term Care Home Annual Report of the Regional Municipality of Niagara – Linhaven (the “Entity”) for the year ended December 31, 2023 and notes to the Report, including a summary of significant accounting policies (Hereinafter referred to as the “Report”).

In our opinion, the financial information in the Report of the 2023 Long-Term Care Home Annual Report of the Regional Municipality of Niagara - Linhaven for the year ended December 31, 2023, is prepared, in all material respects, in accordance with the financial reporting provision of 2023 Long-Term Care Home Annual Report Technical Instructions and Guidelines dated October 10, 2024 issued by the Ontario Ministry of Health and the Ontario Ministry of Long Term Care and financial reporting provisions of the Hamilton Niagara Haldimand Brant Local Health Integration Network (the "LHIN") Service Accountability Agreement dated April 1, 2019 (the “Guidelines”).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “**Auditors’ Responsibilities for the Audit of the Report**” section of our auditors’ report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the report in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Financial Reporting Framework

We draw attention to Note 1 in the Report, which describes the applicable financial reporting framework and the purpose of the Report.

As a result, the Report may not be suitable for another purpose.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Report

Management is responsible for the preparation of the Report in accordance with the guidelines, and for such internal control as management determines is necessary to enable the preparation of a Report that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the financial reporting process.

Auditors' Responsibilities for the Audit of the Report

Our objectives are to obtain reasonable assurance about whether the Report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Report.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
