Presentation Details

-I would like to see the formation of a comprehensive needs list to be forwarded to the PEOC from the community emergency management coordinator at the Niagara Region on the declared state of emergency for mental health, homelessness and addictions. This could be through a directive of Council. -I would like to see Niagara Region inform the public on the state of emergency for mental health, homelessness and addictions through their own communication channels. -I would also like the new Chair of Niagara Region, Bob Gale to send a letter to Premier Doug Ford requesting more assistance in Niagara's declared state of emergency for mental health, homelessness and addictions. -I would like the PH/SS committee to support a request to Premier Doug Ford to declare an Ontario-wide state of emergency on mental health, homelessness and addictions.
