

Appendix B

Niagara Regional Headquarters Garbage Composition Infographic

2018 Waste Audit Results

Ontario Reg. 102/94 requires large office buildings complete an annual waste audit.

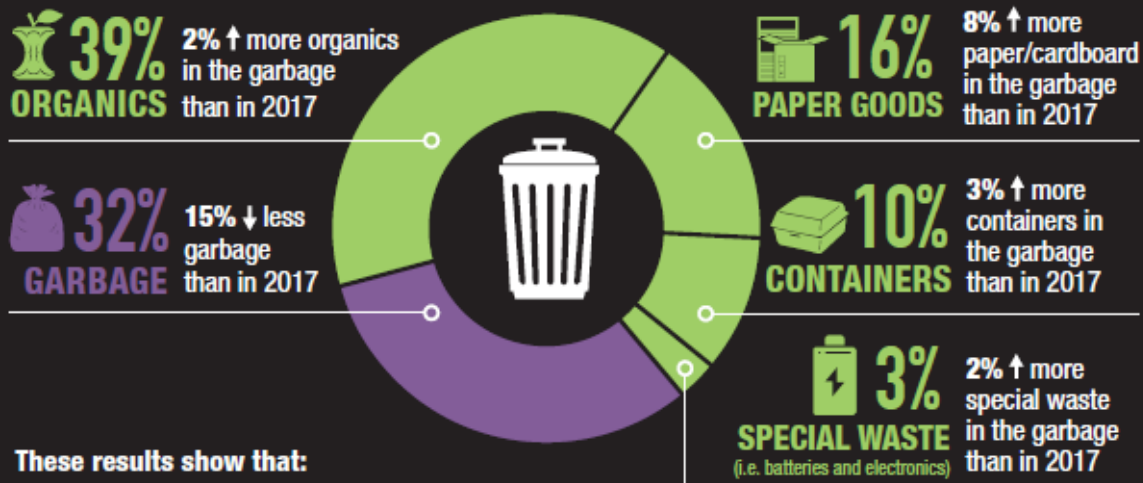

Niagara Region headquarters underwent its fourth annual waste audit in November/December 2018.

**Niagara Region headquarters maintains
a waste diversion rate of 74 per cent.**

The same diversion rate was reported in the 2017 waste audit results.

Percentage of Material Found in Garbage

These results show that:

- **68%** of the material found in the garbage should have been kept out of the landfill through existing waste diversion programs
- We are throwing away more divertible materials in the garbage than we did in 2017

Keen on Green asks you to sort and separate your waste properly.
