

Proposed 2020 Operating and Capital Budgets

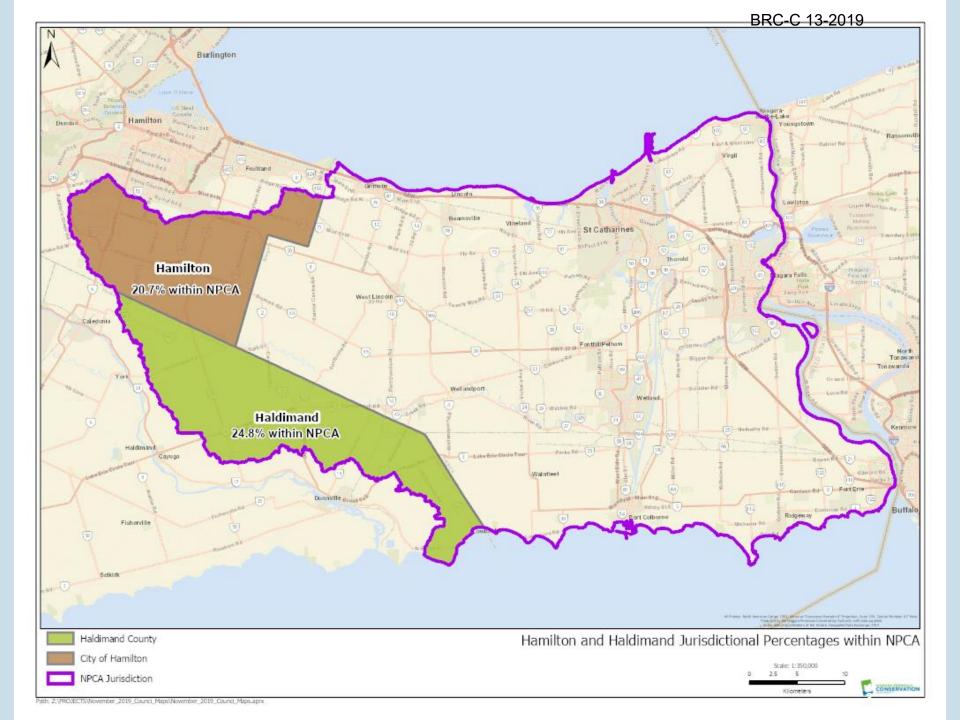

November 21, 2019 – Niagara Region BRCOTW

Gayle Wood, CAO/Secretary Treasurer
Lise Gagnon, Director of Corporate Services

Who is NPCA?

- NPCA created in 1959 under The Conservation Authorities Act
- Watershed based jurisdiction 2,424 square km
- 3 upper tier municipalities Niagara Region, Hamilton and Haldimand
- 21 Board members and 55 staff

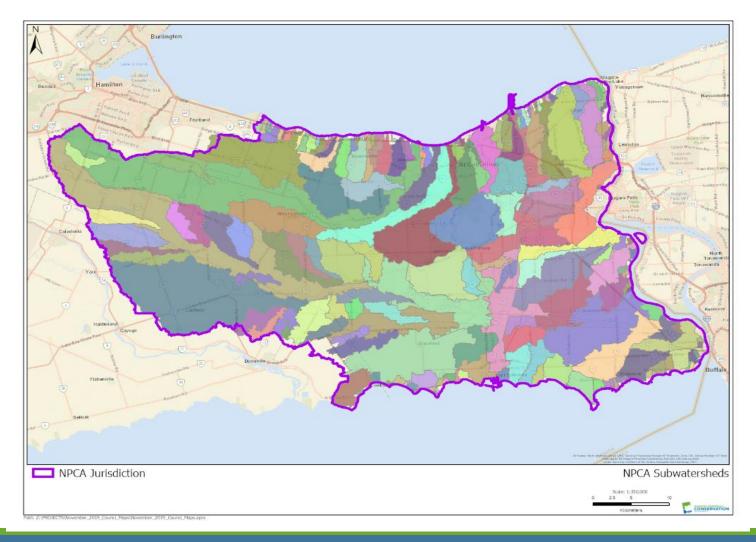

What is Watershed Management?

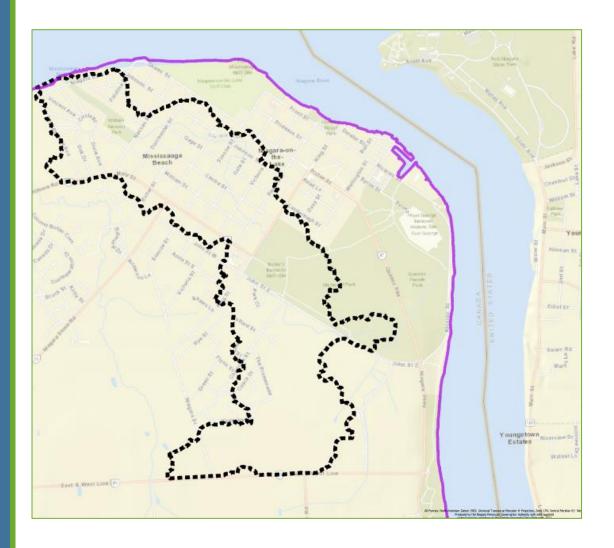

Watershed Management

Dedicated to monitoring, regulating, protecting and improving the health and safety of our watershed.

One Mile Creek Sub Watershed Plan

- Completed 2005
- Assessed all environmental features
- Reviewed all land use
- Measurable goals
- Implementation strategies
- Collaborative approach

We have Work to Do . . . 2018 Watershed Report Card

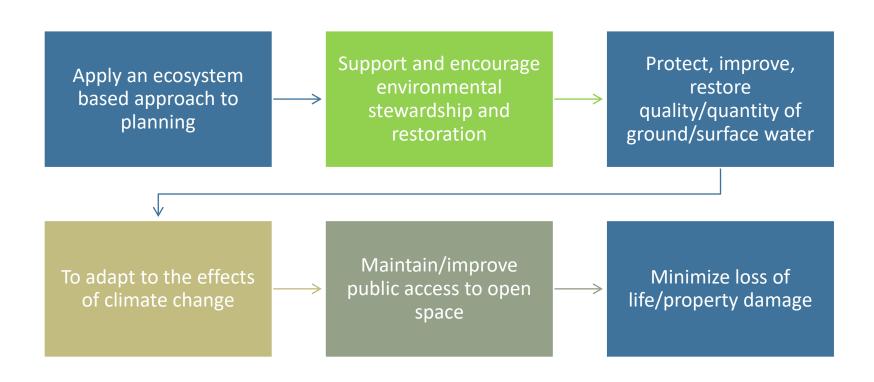

Indicator	Grade		
Groundwater Quality	В		
Surface Water Quality	D		
Forest Conditions	D		
Wetland Cover	В		

NPCA Strategic Plan 2018-2020

Our Mission...

"To implement the Conservation Authorities Act mandate by remaining a responsive, innovative, accountable and financially sustainable organization."

Our Mission - Your OP Objectives:

Your OP Objectives - Our Programs

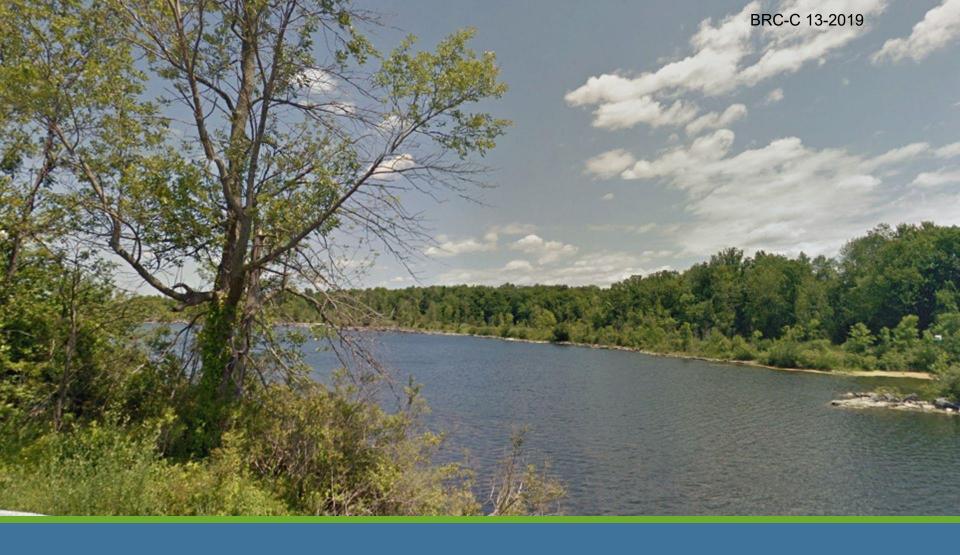

Ecosystem Planning Approach	 Watershed based planning
Environmental Stewardship / Restoration	 Restoration Programs with Performance Metrics
Water Quality and Quantity	 Drinking Source Water Protection Lead Regulate Floodplains Water Quality Monitoring Watershed Report Card
Adapting to Climate Change	 Climate Change Adaptation Programs
Maintain Public Open Spaces	 42 Watershed Conservation Areas - approx. 8,000 acres

Chippawa Creek Conservation Area

Jordan Harbour Conservation Area

Wainfleet Wetlands Conservation Area

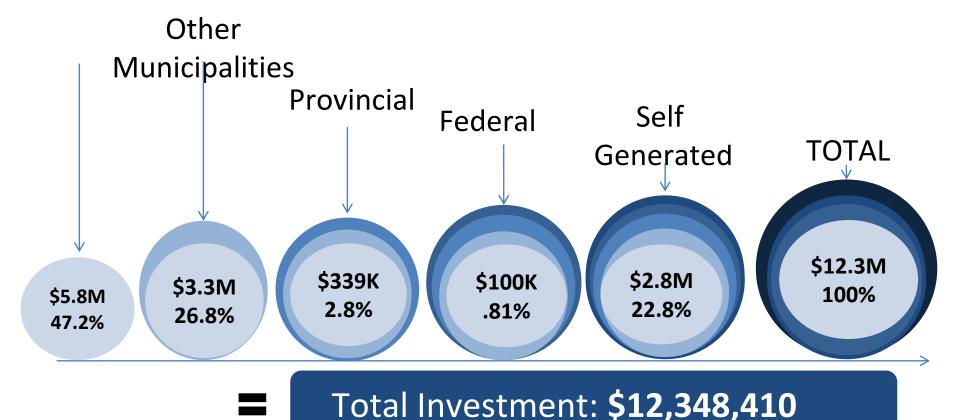

Long Beach Conservation Area

Why Invest in NPCA? Leveraging Your Funds

Niagara Region Investment: \$5,809,372

Other Sources Investment: \$6,539,038

Leveraging your Funds In Action:

Restoration Projects	Partner \$	Landowner \$	Region Levy \$
26 Projects 64 acres of forest 46,477 trees planted 2,804 shrubs planted 4.6 acres wetland restoration	\$156,420	\$178,033	\$118,167
Objectives: Climate Adaption Improves Water Quality Enhances Habitat Improves Recreation Improves Air Quality Carbon Sequestration			
Total \$452,621 - 7 months			

What does our Budget Entail?

General Levy

2. Special Levy

3. Capital Projects

General Levy

The Authority develops a general levy of all operating expenses to be apportioned to each participating municipality based on MPAC assessed value data received annually from Ministry of Natural Resources

- 1. Salaries, Board per diems and travel expenses;
- 2. Rent and other fixed costs;
- 3. Program expenses;
- 4. Other operating expenses (costs required to support operations);
- 5. Other costs as may be prescribed by regulation through Bill 108.

Special Levy

A Special Levy is an operating activity that benefits one or more municipalities but not the entire watershed.

For example: Long Term Debt Payment which applies only to the Niagara Region

Section 25:

When an authority has determined the proportion of the total benefit of an activity to each municipality (known as special levy), notice will be issued, and an appeal may be launched by the municipality to the LPRT within 30 days.

Capital

An Authority may determine what funding will be required for capital expenditures in connection with any project, such as:

- 1. Ball's Fall Historical Building Restoration
- 2. Floodplain Mapping St. Catharines/Grimsby
- 3. Shriner's Creek Water Control Structure
- 4. Virgil Dam Safety Study

Capital Special Levy can be appealed to the Local Planning Appeal Tribunal (LPRT).

Respecting Your Guidelines

2% increase to levy (\$109,688)

1.65% growth to address pressures in enforcement, planning and restoration (\$90,493)
