Memorandum

Subject: COVID-19 Response and Business Continuity in Corporate Services
Date: May 13, 2020
To: Corporate Services Committee
From: Todd Harrison, Commissioner of Corporate Services and Regional Treasurer

Corporate Services delivers efficient and innovative service excellence to external and internal customers in an integrated and timely manner.

During this pandemic, our staff have continued this support function for core businesses within our group and for operating departments. In addition, Corporate Services has provided critical support to the Emergency Operations Committee (EOC).

The following provides an overview of activity that has taken place and a projection of expected service delivery moving forward.

CONSTRUCTION, ENERGY AND FACILITIES MANAGEMENT (CE&FM)

Current Status of Operations

The CE&FM group is divided into two main groups, Construction and Facilities Management. This team has played an important role in the Regional EOC.

The Construction unit has continued to deliver construction projects for the Region up to such time that the provincial legislation for essential construction projects was refined. As a result, staff have worked with contractors to pause projects deemed non essential, most notably NRPS District 1. As a result, a reduced number of projects have continued, these include:

- Installation of backup generators at Headquarters;
- Transfer of backup 911 equipment to a new site; and
- Continuation of construction drawings for long term care facilities.

The Facilities Management Team has been an essential component of the Region’s EOC. Some of the functions performed in this capacity are:
- Coordinated the sourcing of essential supplies in collaboration with other departments;
- Continuing Operations and Maintenance of all opened facilities including enhanced cleaning protocols to ensure safe working environment for essential staff not working from home;
- Coordinating emergency procurements of PPE and other supplies that are critical to business continuity for essential services;
- Upgrading facilities with social distancing barriers, protective screens;
- Responding to internal client needs for changes in normal operations, special moves and health & safety concerns;
- Enhanced security monitoring of sites with reduced and or no staff on site; and
- Coordinating shipping/receiving and securement of critical supply needs.

**Operational Outlook**

**1/3/6 months**

**Cleaning:**

- Expanded existing cleaning contracts to meet enhanced COVID cleaning requirements
- Successfully created/tendered/awarded cleaning contract for EMS base cleaning to meet enhanced COVID cleaning requirements
- Successfully sourced/procured and secured additional cleaning and janitorial supplies to meet divisional and client needs
- Facilities front-line staff refocused to meet enhanced COVID cleaning requirements for internal staff and public safety
- Have addressed multiple emergency workplace disinfection requests following positive COVID findings in the workplace

**Supply Chain and Deliveries**

- Dedicated staff to delivery and reception of all Region HQ deliveries to loading dock to limit personnel entry to Region HQ
- Sourced and provided secure storage areas to assist LTC pandemic supply requirements
- Created Facilities tracking documents for EOC to track program delivery changes
- Created Portal request mechanism for EOC supply chain requests
- Have met all client and divisions support requests for procurement of PPE, hygiene and cleaning supplies
Building Security

- Adjusted security and facility access control systems to meet program delivery changes with minimal notice and short timelines
- Assisted with creation and testing of HR re-deployment tool in preparation of tool launch
- Assisted with creation and testing of screening tool for PH and continue to support with coordination of access control systems data with screening tool
- Continue to keep all Region sites functional, safe and secure for eventual return to normal operations

Housing / Brock University

- Secured temporary housing for essential service workers at Brock University and continue to manage unit allocations. Have 27 rooms available with option of an additional 14 should they be needed

Construction and non-essential maintenance and repair work

- Reviewed and stopped all non-essential maintenance repair work and services based on provincial order
- Successfully shut down non-essential construction based on initial provincial order and in the process of re-opening construction sites based on May 4th provincial order.

REOC

- Secured space and coordinated setup of Region EOC at initial stages of emergency response
- Redeployment of CE&FM staff to support REOC and facilities operations

FINANCIAL MANAGEMENT AND PLANNING (FMP)

Current Status of Operations

As indicated, all of the Corporate Services Departments continue to deliver core services while at the same time perform a significant number of duties to support the Regional EOC.

- Realty related works for inflight projects, leases and licenses;
- PeopleSoft Change PO’s, Supplier and PCard administration; and
- Sourcing critical PPE and supplies needed for the EOC response to the pandemic.

In addition, Procurement has completed the transition to full eBidding and effective immediately, all procurement bid documents issued include the requirement for electronic submissions.

**Operational Outlook**

**1/3/6 months**

The Region’s review of essential projects both capital and operational has resulted in a prioritization of formal procurements moving forward. This will continue throughout the pandemic and afterwards.

INFORMATION TECHNOLOGY SERVICES (ITS)

Current Status of Operations

Similar to other departments within Corporate Services, ITS staff have delivered by supporting core business functions while taking on additional established projects to support the Region’s EOC.

Highlights of initiatives completed during the pandemic include the following:

- Put the tools, technology and processes in place to enable and support the move towards large numbers of staff working from home;
- Developed operational data driven dashboards for Public Health, Community Services and EOC to help monitor and manage workload and staff capacity;
- Developed staff redeployment portal to help facilitate the management of requests for additional or redeployed staff related to COVID-19 priorities; and
- Working with Clerks Department to move Council and Committee meetings to an all-digital platform to support physical distancing requirements.

Operational Outlook

LEGAL SERVICES

Current Status of Operations

As indicated, all of the Corporate Services Departments continue to deliver core services while at the same time perform a significant number of duties to support the Regional EOC.

The Legal team provides a key role in the Region’s EOC. The team has responded to significant number of new provincial legislation and announcements throughout the pandemic period. Highlights of advice provided to EOC:

- Advise on response to construction legislation related to essential services;
- Risk Management advice on building screening and security issues; and
- Various legal advice during pandemic.

Operational Outlook

1/3/6 months

The Legal team will continue to provide advice and deliver services to operational departments on core business activities. The insurance RFP is on-going and is expected to be completed in the fall.

COURT SERVICES

Current Status of Operations

The Court Services team is overseen by the Region’s legal department on behalf of the joint board of management, between the Region and area municipalities.

Highlights of operational charges to Court Services:

- Court matters have been adjourned to May 29;
- Timelines have been extended for the duration of emergency;
- At present, POA building closed to the public but telephone/email service continue;
- Enforcement agencies continue to file charges with unit; and
On-going contact with Municipal Attorney General Offices and Local Administrative Justice of the Peace.

Operational Outlook

1/3/6 months

Continue responding to public enquiries and requests from enforcement agencies while awaiting resumption of regular court proceedings.

BUSINESS LICENSING

Current Status of Operations

Similar to the other departments in Corporate Services, the Business Licensing unit has continued to operate with core service delivery as well as play a role in the Region’s EOC. These activities are identified separately.

Business License

- Revenues are down for the renewal period ending May 31st, which has been reflected in regular EOC reporting to Council. Currently, license payments have been deferred until pandemic ends. A transition plan regarding license payments is being developed for when businesses resume. A report to Corporate Services will come forward in June.
- The Region has over 5,000 license holders that span a variety of businesses, vehicles and people that will need to be renewed.
- The emergency orders impacted not only the businesses but the employees of those businesses. There may be a reduced employee pool that these businesses may draw from and further impact their business operation.

Provincial Order Enforcement

The provincial government’s announcement for stricter enforcement of social distancing and business’ temporary closings resulted in an enhanced bylaw enforcement. In cooperation and coordination with local municipalities, the Region’s enforcement team has increased its how’s of operations to respond to increased complaints.
- Staff have been re-assigned to enforce the Provincial Orders and remain assigned to an evening shift schedule Saturday to Tuesday supported by staff from Tobacco Enforcement. Staff remain assigned to this until further notice or when the orders and state of emergency is lifted; and
- Staff respond to after-hours calls to assist the local response and also monitor the Region’s six public open space properties, and ensure Region licensed businesses that are non-essential remain closed.

Operational Outlook

1/3/6 months

The Regional Enforcement Manager will continue to work in cooperation with local municipalities, NRPS and other Regional departments in a coordinated approach to enforcement of the social distancing legislation until the pandemic eases.

The business license bylaw review is ongoing and will likely come before Council after the pandemic eases.

Respectfully submitted and signed by
