Independent Auditor's Report	1-2
Annual Reconciliation Report	3-8
Note to the Annual Reconciliation Report	9

Draft

Independent Auditor's Report

To the Members of Council of the Regional Municipality of Niagara, Hamilton Niagara Haldimand Brant Local Health Integration Network and the Ontario Ministry of Health and Long-Term Care

Opinion

We have audited the accompanying schedules (ARRFin1 and ARRFin2) and the Proxy Pay Equity Reconciliation Report (excluding statistics and FTEs) of the Annual Reconciliation Report of the Regional Municipality of Niagara Public Health Department Community Mental Health Program (the "Program") for the year ended March 31, 2020 and note to the schedules (collectively referred to as the "schedules").

In our opinion, the accompanying schedules of the Program for the year ended March 31, 2020 have been prepared, in all material respects, in accordance with the financial reporting provisions in the guidelines in Chapters 3 and 4 of the Ontario Healthcare Reporting Standards and the Community Financial Policy (2016) issued by the Ontario Ministry of Health and Long-Term Care (the "guidelines").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Schedules* section of our report. We are independent of the Region in accordance with the ethical requirements that are relevant to our audit of the schedule in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the schedule, which describes the basis of accounting. The schedules are prepared to assist the Program in complying with the financial reporting provisions in the guidelines in Chapters 3 and 4 of the Ontario Healthcare Reporting Standards and the Community Financial Policy (2016) issued by the Ontario Ministry of Health and Long-Term Care. As a result, the schedule may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Schedules

Management is responsible for the preparation of the schedules in accordance with the guidelines, and for such internal control as management determines is necessary to enable the preparation of the schedules that are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Region's financial reporting process.

Auditor's Responsibilities for the Audit of the Schedules

Our objectives are to obtain reasonable assurance about whether the schedules are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the schedules.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the schedules, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Region's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Note to the Annual Reconciliation Report
March 31, 2020**

1. Significant accounting policies

Basis of accounting

These Schedules have been prepared for the Ontario Ministry of Health and Long-Term Care and the Hamilton Niagara Haldimand Brant Local Health Integration Network. They are prepared in accordance with Canadian public sector accounting standards, except that it does not provide for employee future benefits and does not capitalize and amortize tangible capital assets. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial information necessarily involves the use of estimates and approximations. These have been made using careful judgments.

Revenues and expenses

Revenues and expenses are reported on the accrual basis of accounting, with the exception of employee future benefits below.

The accrual basis of accounting recognizes revenues as they become available and measureable, expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

Capital assets

Tangible capital assets acquired are reported as an expenditure, and amortization is not recorded.

Employee future benefits

Employee future benefits are provided which will require funding in future periods. These benefits include sick leave, benefits under the Workplace Safety and Insurance Board ("WSIB") Act, and life insurance, extended health and dental benefits for early retirees. These benefits are recorded on a cash basis.
